It is also very important that those who will be receiving sacraments are attending mass. It is vital that we are practicing what we are learning in Faith Formation Classes and teaching our children that everything we do as Catholic Christians comes from the graces we receive at the Mass. If you are not attending mass regularly, I invite you to begin now.

If you have any questions about the schedule above, please contact Josh in the parish office, jdowling@stjosephzephyrhills.org or by phone at 813.782.2813.
