Sacraments Reception	Sunday, April 19 th , 2020	10am	Parish Center

Attention Parents: These classes are mandatory for all students who wish to receive their sacraments this year. Excessive absences will result in not receiving the sacraments. If you are going to be absent, please let Josh know so he can make plans for make-up. Likewise, students going through sacrament prep should be attending mass regularly.

Our goal, as a Church, is to train up good disciples. If children and families are not practicing their faith and the things we are teaching, then our goal is a waste. Like mass attendance, being enrolled in our Family of Faith program is a must. This is an in-home faith formation program for the whole family. For more information, please contact Josh in the parish office.
